PRIORITIES FOR TODAY

CLOSE REPORTING GAPS

Mozambique + Nigeria: follow up on 4 pending sites. Country data leads; today.

CHECK LOWER VOLUMES

Kyrgyzstan -5%; Mozambique -10% in screening. Verify service and reporting changes.

RECONCILE REVISIONS

Net daily screens +3,400. No negative corrections in country totals.

Reading this edition: Global = project-level totals for 8 countries; same 76 sites in both months (95% of 80 expected). Daily changes are uploads/revisions to September, not services delivered yesterday. Zero means no net update.
